The One Card Program is making its way to Lawrence County Schools! If your child attends a participating school they can use their student ID number to access library materials both in the library and at home. We encourage every school in the county to participate and are onboarding new schools as quickly as we can.

Development

The Development Division is dedicated to helping the library flourish through partnerships and fundraising efforts. We are super excited about all that we have and continue to accomplish. We have announced our Library's Finest participants and are so excited to continue to see and share with you the items and events that they are planning to further the library's success. The division's intern has recently started with us and we are ecstatic to see all that they do to assist us in furthering our digital presence and outreach efforts. If you see them snapping photos at some of our programming efforts and events, don't be afraid to say hi!

The New Castle Public Library provides free access to Ancestry.com and serves as a FamilySearch Affiliate Library, which provides access to millions of digitized microfilm images from around the world.

Adult Services

Our Young Adult Division provides services to our in-betweeners and teenagers. We are putting together a Library Ambassador Board to give students a say in what happens in the library. We will have two students from each school in Lawrence County as Ambassadors and they will work together to help the library grow. The topic include vary each month.

Young Adult

Family Place Libraries build on the knowledge that good health, early learning, parental involvement and supportive communities play a critical role in a young child's growth and development. New Castle Public Library has designed programs for parents of young children (birth to 3 years of age). Programs emphasize play, creative activity, and development of skills that will help children as they reach school age. The assistance of community professionals experienced in the fields of child development is a major component of the programming offered. Components of a Family Place Library: A five week series of programs for children and parents from birth to 3 years of age An area where parents can relax with children and explore activities to engage & stimulate children A collection of books, periodicals and videos located in the Youth Services Department to assist in parenting. A collaboration with outside agencies to provide assistance to children and families. Our next Family Place Series takes place each Thursday, March 7th through April 4th at 10:00 a.m. We hope you will join us!

The Lawrence County Federated System Outreach Services Bookmobile is working hard to deliver books to those who can not make it into the library. We deliver books to nursing homes, daycares, and more! If you would like to request a new stop give us a call!

The New Castle Library District provides many services to patrons in Mercer, Lawrence, Butler, and Armstrong Counties. One of these services is Libby. Any patron with a valid library card is able to check out materials using the Libby App. Patrons can access ebooks, audiobooks, and magazines through this application. Stop in for more information!
