The bookmobile and outreach department are excited but disappointed by summer's end. Our stops in public parks will be ending this year in September, so be sure to stop by this month to enjoy your local library and park together at the same time. If you're interested in requesting a specific book to pick up at one of our public stops, please call or email the information listed above ahead of time to check its availability.

Youth Services

Lori Daytner, Youth Services Manager
724-658-6659 x126 | ldaytner@ncdlc.org

The Youth Services Department is constantly working to bring new and innovative programs for our young patrons. We are collaborating with Erie Arts and Culture to bring regional folk artists to our community.

August is particularly exciting as we present Ansumana Komba Gbembo, who will conduct a workshop on West African Clothing Design. Join us for a hands-on opportunity to learn about and design your own clothes while learning about West African culture and its expression through the art of clothing design. The Summer Reading Program is still going strong and we continue to see young patrons come in for prizes as they accomplish their reading goals--remember, it's not too late to sign up to participate. Also, behind the scenes, we're working hard to prepare the second floor for its reopening and we look forward to seeing you there soon!
